ORDER:-

In the letters read above, the Vice Chairman & Managing Director, APSIDC Ltd., Hyderabad, has submitted an estimate for the work “Upgradation of Naleshwar LI Scheme on Godavari River, Navipet Mandal, Nizamabad District” for Rs. 117.00 lakh stating that the scheme was constructed on Godavari river with a contemplated ayacut of 1694 acres. The scheme was commissioned in September, 2002. The Main canal is running mostly in banking and also in partial cutting. The canal is formed with the available BC soils. The main canal is passing adjacent to the village and the canal section was very much widened due to movement of cattle, ploughing tractors etc. Due to several breaches the bed is eroded and formed depressions resulting in water stagnation which is flowing into the village. The canal section is also widened due to collapse of side slopes and the required discharge is not being delivered to the fields. Lining is carried out to main canal previously to a length of 450 meters under revival programme. However, the problem is not solved and water is not reaching the tail end. Hence, formation of new separate pressure main from 2nd stage to Thungini village ayacut and guide walls to tail end reach of main canal for a length of 1000 meters is proposed. Hence, he has requested to accord administrative approval for Rs. 117.00 lakh for the subject work under NSP.

2. Government after careful examination hereby accord administrative approval for Rs. 115.47 lakh (Rupees one hundred and fifteen lakh and forty seven thousand only) for the work “Upgradation of Naleshwar LI Scheme on Godavari River, Navipet Mandal, Nizamabad District” duly the provision of Pressure Main II

3. The expenditure sanctioned at para 2 above shall be debitable to the Head of Account “4702 COL on MI – MH 101 SW – GH 11 NSP – SH 17 Need Based Schemes to LIS – 530 Major Works – 531 OE”

4. This order issues with the concurrence of Finance (Expr. PW) Department Vide their U.O. No. 11637/316/Exp.PW-I/13, dated 04.05.2013.
